

Connect with US - Digital Exchange Interns

Project Title	Connect with US - Digital Exchange Interns
Project Summary	Help Ukrainians improve their English and learn more about the United States through weekly virtual exchanges.
Country	Ukraine

Project Description

We are looking for two interns to share their experiences and knowledge of the United States through virtual exchanges with visitors to American Spaces in Ukraine.

Interns should schedule, plan, and coordinate weekly virtual exchanges with a rotating list of American Spaces convening Ukrainian audiences interested in improving their English skills and learning more about the United States.

Interns are invited to recruit virtual speakers (i.e., other students, faculty) to give guest talks on topics like Language learning tips, Entrepreneurship, Technology, Art, Culture, Journalism, History, Politics, Travel, Education, and Innovation.

Required Skills or Interests

Skill(s)

Cultural diplomacy

Educational design

Storytelling/blogging/vlogging
